### 書寫內容

#### Keep Peggin' Along

The race is not to the swift they say,  
Nor the victory always to the strong;  
But the one who perseveres will win  
If he'll jes keep peggin' along.

Your way may be steep and your way may be rough,  
And you just a wee mite midst the throng;  
But stick to the right and you'll sure win the fight  
If you'll jest keep peggin' along.

Don't mind the hard knocks and the kicks and the cuffs,  
Push on; by and by you'll grow strong;  
Don't slacken your paces, you'll sure win the race  
If you'll jes keep peggin' along.

— James Conway Jackson
